

**Cheesecake believes  
in customer  
satisfaction.**

The background of the slide is a blue-tinted image of a person's face, likely a woman, looking upwards. Overlaid on this image is a white network or mesh pattern consisting of interconnected lines and dots, resembling a digital or data network. The overall aesthetic is modern and tech-oriented.

About CheesecakeTech:

Nigar founded CheesecakeTech, a tech startup in Chittagong. The startup makes awesome mobile apps and games and also provides digital marketing services. They have their own software named 'CheesePad' which is created particularly for the Bangladeshi users. A restaurant named 'Hunger Games' in Chittagong is officially buying CheesePad for both of their branches. They have their own game called 'Shoot 'Em Down', inspired by the famous animated series Swat Kats. Why in IT?

I started because I felt it was the right thing to do. Whenever I think of my

startup, I feel motivated and energized. Bangladesh is growing in ICT sector currently. There are so many
